

## Former Truckee Boy Is Hero In Korean Fighting

### Communist in Civilian Clothes Captured By Saia

Joseph Saia Jr., 17, a native of Truckee and son of Mr. and Mrs. Joseph Saia now residing in Sacramento but well known here, had an interesting experience while on duty with the Marines in Korea, according to an Associated Press dispatch from there.

Young Saia enlisted in the Marines a year ago when only 16 and the dispatch from the front was the first word his mother had heard from him since he sailed a month ago.

Don Whitehead, writing for the AP, tells the story as follows:

ON THE ROAD TO SEOUL—The North Korean soldier came marching down the road—stark naked. He was young and stockily built and limped painfully into captivity.

The bullet had hit the fleshy part of his left leg, leaving a small hole where it entered and a jagged wound where it had emerged. The marine bullet had felled him when he tried to run away.

A leatherneck walked behind him with a rifle pointed at his back. And then the marine ordered the naked soldier to sit beside the road while an interpreter questioned him.

The leatherneck glared at the young Communist who had blood smeared on his face and who covered with his hands, clasped behind his head.

Private First Class Joseph Saia Jr., of 1416 Robertson Way, Sacramento, Calif., said:

"That guy shot the sergeant. He got the sergeant right above the heart. He didn't live long."

Young Saia stared at the Red. "He had on civilian clothes when he shot him but the boys stripped him and sent him down the hill," the Sacramento soldier related.

The interpreter finished his questions and the marine snarled: "Take him to the stockade. Take him back before I —"

And they took the Red soldier away.

### T-T ADMISSION TO SPORT CIRCUIT IS BEING DEFERRED

RENO—Meeting at Reno Saturday, member high schools of the Western Nevada Conference re-elected Pat Smith chairman, deferred admittance of Truckee-Tahoe High School to membership and decided on 2 p.m. as official kickoff time for day time games this football season.

Truckee-Tahoe, through Coach Clifton King and Superintendent E. V. O'Rourke, made a formal application for membership in the conference, which is now composed of "A" schools Reno, Sparks, Manogue, Fallon, Lovelock, Yerington, Stewart, Douglas, Carson City, Hawthorne; and "B" schools (85 students or less) Fernley, Dayton, Gerlach, Virginia City, Smith Valley.

The Truckee school, growing and with 100 students now, would fall into the "A" class and two-year football and basketball schedules are now operating on a 10-school basis. The conference has agreed that Truckee-Tahoe is a geographical natural for membership. Truckee-Tahoe's eventual membership is going through a process of formal steps. The matter may come up next before the Nevada Interscholastic League.

Meanwhile, it was recommended that conference schools schedule as many games as possible with the eastern California school.

### Bear Peeks Into Man's Bedroom

TAHOMA—W. G. Haste of Tahoma is not a man to be easily frightened but the other morning he had an experience which caused him to swallow hard a couple of times.

Awakened from a sound sleep at his summer cabin here by the barking of a dog, Haste glanced from his window and there peering in from the other side was one of the biggest bears he had ever seen.

After surveying the inside of the house, the bear ambled off into the woods, undismayed by his brief visit to the rather thickly populated area.

### In Arabia—

Henry Hudson, former Truckee business man, is now employed in Arabia, according to word received by Mr. and Mrs. Louis Euer.

### Nobles Here—

Mr. and Mrs. Yell Nobles of Merced were seeing local friends on Wednesday.

### Freedom Crusade Slated To Begin In This District

Nevada County's Crusade for Freedom campaign will start simultaneously in the three population centers—Grass Valley, Nevada City and Truckee—this week under the general chairmanship of Superior Judge James Snell with William Durbrow as general vice chairman.

Under the national chairmanship of Lucius D. Clay, Crusade for Freedom is a roll call of all Americans who love freedom to help lift the Iron Curtain everywhere on the globe.

Participation is voluntary and entails but two activities—signature of the Freedom Scrolls, which will be circulated throughout the county and backing up of your signatures by a voluntary contribution to the Radio Free Europe, the American people's broadcasting station in western Germany that daily pierces the Iron Curtain. Radio Free Europe went on the air July 4, with Rumanian and Czech programs, will include Polish, Hungarian and Bulgarian language programs.

In the eastern end of the county, scrolls will be circulated, publicity given to the committee and contributions received under this committee.

Walter Barrett, Everett V. O'Rourke, Walter Loynd, Cecil Edmunds, Cliff King, Kenneth Hedlund, Robert Gifford, James Sherritt, Father Arthur Waters, Ray Scott and R. N. Little.

Snell said that a strong women's committee, with representation from all women's organizations in the three areas, will be formed to assist in obtaining the scroll signatures—in down town locations, at schools, public gatherings and other points.

Every signature on the Freedom Scroll will be permanently enshrined in the base of the Freedom Bell in Berlin at dedication ceremonies on United Nations Day, October 24.

### SMART, McCRARY ARE ELECTED

Only 21 voters turned out for the Truckee Sanitary District election here Monday afternoon. The only two candidates on the ballot were unopposed.

N. S. McCrary received 20 votes as the incumbent director and R. E. Smart polled 12 as a candidate to succeed himself as assessor. The balloting took place in the fire house.

### 20-30 CLUB WILL HOLD CUB MEET

Plans for the Cub Scout inauguration as a member of the Tahoe Council at Veterans Memorial Building September 26 at 7 p.m. were made at the meeting of the 20-30 Club at Cozzi's Cafe last night. The 20-30 is sponsoring the troop here. All parents and friends are invited to the affair and the Cubs will be awarded Bobcat pins.

Harvey Hocker presided at last night's meeting. Skippy Ferdinand was inducted as a member and visitors included Ernie Martini, Harold Lucey, Reno Barber and Sal Reciz of Sparks; Bob Thomas of Auburn, Ray Davis of Roseville; Don Riddle, Joe Rodriguez, Les Belanger and Don Monk of Lovelock.

Del Raby of Auburn gave a talk on Cub Scouting. The next meeting will be held jointly with the Rotary Club September 25.

### Ronald Walker Is Feted on Birthday

Ronald, son of Mr. and Mrs. James Walker, was one year old Wednesday, September 20, and the important occasion was celebrated the evening before at a family dinner party. Gifts were opened by the small honoree and a special cake was cut at dessert time.

Mr. and Mrs. Harry Klunness of Berkeley, his maternal grandparents, were out of town guests.

### Mrs. Foster Here—

Mrs. K. Q. Foster of Oakland has returned here, planning to stay until October.

### Students Select Officers During School Election

#### Tahoe Students Win In Balloting For Officers

Jack Miller Monday was elected president of the Tahoe Truckee High School student body following a general election featured by a lustrous campaign among the 100 students.

Collette Morhain of Tahoe City was elected vice president at the primary, having a clear majority over the other candidates for this office.

Following the vote count, Blodwyn Tiffie of Tahoe was declared secretary and Dale Fuson, also of Tahoe, was named treasurer.

Three general assemblies were held to select the officers. At the first meeting, unintentional power politics put all seniors on the ballot. A technicality was discovered and the nominations were held irregular which made it possible to renominate candidates and a more varied group was represented on the ballots.

Qualifications for any of the offices are high. All petitions must be signed by 25 students, the principal and class advisors. The president must be a senior and maintain at least a C average. The vice president must have a C average and be a junior or senior, while the secretary must maintain a B average and shall carry on secretarial duties efficiently. The treasurer may be a sophomore, junior or senior and shall have at least a C average.

Originally qualified and nominated for president were Miller, Mary Boyce, Ned Stuart, Simon Dominguez and Fred Holt; vice president, Collette Morhain and Clifford Dockham; for secretary, Jean Todd, Donna Speeter, Mary Fisher and Blodwyn Tiffie; treasurer, Dale Fuson, Ronnie Sanford and Ray Sorensen.

### LAST RITES ARE HELD HERE FOR RICHARD LOYND

Last rites were held Saturday afternoon at 2 o'clock at the Veterans Memorial Building for Richard E. Loynd, well known Truckee boy, who died from injuries received in an automobile-truck collision near Cisco on September 11.

The Truckee Colonial Mortuary was in charge of the arrangements and the large hall was well filled with scores of friends and the floral tribute stood as mute testimony of the high respect in which the youth was held.

John J. McGlade sang The Lord's Prayer. Honorary pall bearers were school mates of the deceased—Simon Dominguez, William Frey, Howard and Willard Painter, Robert Tonini and Joseph Copeland. Following the services here, the body was taken to Berkeley for cremation.

### Johnny Firpo Feted On 9th Birthday

Johnny Firpo, son of Mr. and Mrs. I. Firpo, was feted at a family dinner Wednesday evening, September 20, on his ninth birthday. The traditional cake was cut and gifts were opened by Johnny.

### Nelson, Heller Are Lions Club Speakers

Members of the Truckee Lions Club last night heard talks by Dr. L. D. Nelson and C. R. Heller, president of the hospital board, on the plans and progress of the Tahoe Forest Hospital. Construction will begin on the hospital here this week, Heller said. Yell Nobles of Merced was a guest at the session.

### Family Visits—

Mr. and Mrs. Keith Weeden and children, Geraldine, Tom and Ray, of Oakland are visiting Mr. and Mrs. A. Polyanich this week.

The largest gold dredge in the world is operating near Hammond, in Yuba County.

### Sun Beams by Walter M. Barrett

Voters in the Tahoe City district this year have an opportunity to put a local representative on the Placer County Board of Supervisors. The only candidate for the office from the Tahoe area is Ken Steddom, a fully qualified and capable man. Not only will he support and protect Tahoe interests, his qualities mark him as a man who will be an asset to the rest of Placer County as well. We believe that voters of the eastern portion of the county will get behind Steddom and promote his candidacy to the best of their ability and we know that in return the Tahoe man will use his office to make it a real credit to the area he hopes to represent.

Recent storms have minimized but have not eliminated the dangers from forest fires. Continued vigilance in handling fires in the woods is urged by forest service officials, who warn that permits are still necessary and that smoking in unposted areas will not be tolerated.

Teachers and parents of children attending the local elementary school are urged to warn of the danger of running into Church Street. Although the highway is only a block distant and offers an adequate thoroughfare for all through vehicles, a number of trucks and buses continue to use Church Street and their weight and speed make them potentially dangerous for thoughtless and carefree children.

### FIRES REPORTED ON MT. PLUTO BY FOREST OFFICER

Despite the wet weather during the past week, the forest service has been called upon to extinguish seven fires in the Mt. Pluto area, Fire Control Assistant William F. Curran reports.

Two of the fires were started by lightning, the other five being so-called warming fires started apparently by hunters who left them to spread. None of the fires was allowed to cause damage, due to the effective work of the forest service crews.

"From now until we have a good storm, the dangers of fire are present," Curran declared. "With winds prevailing, a small warming fire can easily spread to a major conflagration," the officer declared in pointing out that only last year the major fire which started just south of Truckee and spread nearly to Donner Summit within a few hours, occurred September 28.

### Dance Class Features O.E.S. Entertainment

Truckee Chapter 116, O.E.S., met Tuesday evening in the Masonic Hall. After a short meeting, an evening of entertainment was enjoyed. Students of Mrs. Gladys Pedley's dancing school gave beautiful tap dances, graceful hulas and acrobatics. Refreshments of home made cakes and coffee were served afterwards.

Next meeting, Tuesday, October 3, will be the reception for past worthy patrons and past worthy matrons. A cordial invitation is extended to all O.E.S. members.

### Theater Owners at Tahoe Convention

Over 300 independent motion picture theater owners from the seven western states met for four days, starting Saturday, at Cal-Neva and Brockway Hotel on the north shore of Lake Tahoe. The occasion was the annual convention at which the showmen exchange views and ideas on the trends of their business.

### W. S. C. S.

The Woman's Society of Christian Service will meet tonight at the home of Mrs. William Englehart Jr. at 7:30 to begin preparations for their coming bazaar.

### Buck Stew To Be Held Sunday At Capitol Hall

#### Public Invited to Join Sportsmen Here Sunday

Preparations have been completed for the annual free buck stew, sponsored by the Truckee Outdoor Sportsmen, to be held at Capitol Hall Sunday, starting at 2 p.m.

Everyone is invited to attend the affair and Chef John Ciardella, who is being assisted by his wife, Julia, in preparing the repast, promises an abundance of food and a good time for all.

As usual, a large number of gifts will be presented, including a rifle and an outboard motor. Other items, have been donated by the various merchants of the community and include hunting and fishing equipment and a score of other things. All are on display in the west window of the Sportland.

The buck stew is the annual highlight in the life of the Outdoor Sportsmen and this year a special effort is being made to make it outstanding in every respect.

### WATKINS GIVEN GARBAGE HAUL CONTRACT HERE

Contract for hauling garbage in the Truckee Sanitary District was awarded last Thursday night to Wallace Watkins, who entered a bid to pay the district \$108.50 monthly for the contract. Two other bids, one for \$50 and the other for \$80, were presented.

Watkins has been driving the garbage truck during the past several weeks as an employee of the district, but the directors decided to award the work to a private hauler who will be supported by the laws and regulations prescribed in the district ordinances.

A petition from the majority of residents of the Gateway Park area for annexation to the district was taken under advisement by the board.

### Immigration Official Speaks at Tahoe Meet

HOMEWOOD—The Tahoe City Rotary Club met Tuesday at the Homewood Resort with 30 Rotarians and visitors attending.

President Jim Gowing introduced the visiting members. The speaker was Harmon E. Hosler, immigration and naturalization officer of Reno, who illustrated the procedure necessary for aliens to become citizens of the United States.

A vote of thanks was given Don Huff for the Rotary sign he furnished for the club.

There will be one more meeting on the summer schedule at the Homewood Resort, September 26. Visiting Rotarians were Hal Atkinson, Oakland; Wm. Mayhew and Chet Hendrick, Walnut Creek; James McKelny, Denver; Dr. W. P. Aiken, Palm Springs; Everett Griffith, Woodland; Richard Lovery, Brockton.

### Women's Group To Sponsor Benefit

Members and guests of the A. A. U. W. met Thursday evening at the home of Mrs. Kjell Rustad of Tahoe City where tickets were distributed to be sold for the benefit show, Lost Horizon, to be exhibited at Brockway theater on October 10. The funds will go toward financing the organization's scholarship given annually to outstanding students in the district.

Guests at the meeting included Mrs. Katherine V. Wing, Miss Gladys Bryant and Miss Patricia Adams, all teachers in the Tahoe Truckee district.

The next meeting will be held October 3 at 8 p.m. in the home of Mrs. Milton Hogle at Rainbow.

### Lairs Move—

Mr. and Mrs. Billy Lair have moved to Chester, where they will make their home.

## Many Violations Reported With Start Of Hunt

### Fewer Deer Validated Here During Opening

Although the number of hunters in the Truckee district probably exceeded that of recent opening day weekends, the first days of the 1950 deer hunting season did not produce the number of bucks it formerly did, sportsmen and game wardens report.

There were scores of deer killed, but as predicted by Game Warden Tom Borneman, the animals are widely scattered and harder to find.

Honors for killing the first deer, among local nimrods at least, were shared by Clarence Osburn and Herbert Mattheus. Osburn bagged his forked horn at Beacon Hill shortly after the season opened Saturday and was back for validation by Slim Elliott by 7:30 a.m. Mattheus shot his deer near Tahoe a few minutes after the opening and two companions visiting him were equally lucky. A close second was Joe Digest of Truckee who shot his four-point about 8 a.m.

Every available camp site throughout this district was filled with hunters, their families and friends. The roads were practically lined with cars as the thousands of visitors scoured nearby terrain in search of the elusive buck.

Showers over the weekend dampened the tinder-dry forests and brush and started a parade of cars leaving the area. The storm was insufficient to eliminate a fire hazard but did minimize the danger temporarily.

### Many Violations

With seven state game wardens, augmented by a group of deputies, on the job during the first few days of the season, a number of violators were cited into the justice courts. The wardens included Forest McDermott, Gene Durney, Ed Hughes, Ross Wagoner, Bill Shay, Tom Borneman and Gilbert Berg.

In the Truckee justice court before Judge R. N. Little, W. F. Gassaway of Grass Valley and Marvin Elchison of Richmond were fined \$100 each for possessing a spike buck. Joseph Casey of Martinez was scheduled to appear before Judge Little on the same charge.

Phil George Sr., San Lorenzo, paid \$50 for failure to fill out tags when he appeared before the local justice. Floyd D. Wallace, West Sacramento, was slated to appear before the court on a similar charge.

In the court of Justice A. N. Johnson in Sierraville, Ben J. Berg of Loomis and Charles Nelson of Del Paso Heights will appear for failure to mark tags and Charles Goad of Richmond was cited for possessing a spike. Alva Kuykendall of Carmichael and Marshall McCarty of Antioch were fined \$75 each for killing spike bucks and Forest Hall of Yuba City and James E. McCarty were fined \$50 each for failure to fill out tags.

In all cases deer and licenses were confiscated by the courts.

### Woman Cited In Auto Collision

Marian Dunham, 35, Reno, was cited by Patrolman William Gautsche Monday afternoon on three charges following a collision of the car she was driving with one operated by Ralph W. Kemble, 37, Sacramento, near the Hirschdale bridge, eight miles east of here. The driver was charged with being on the wrong side of the road, driving without an operator's license and having faulty brakes. No one was injured but both cars were badly damaged.

### Damages Denied In Auto Crash Suit

A Nevada County superior court jury last Thursday denied Merrill Lee Cummings \$26,250 in damages, sought in a damage action before Judge James Snell against Carol E. Hoadley and Harriett Hoadley.

The suit was filed last December as a result of a two-car collision on Highway 89 near Hobart Mills last summer in which Cummings changed he received permanent injuries, including paralysis of the left arm and shoulder.

### Here for Visit—

Marlene Mahne, who attends Sacramento Business College, spent the weekend here with her parents. Other guests at the A. Mahne home were Mr. and Mrs. John Clark Jr., George Clark and Bill Davis, all of Sacramento.

## SWANEE'S TAHOE LETTER

Tahoe City, Sept. 18, 1950

Dear Tahoeites:

Well, the deer season is well underway in the Lake Tahoe region. A number of the town's population have shot their buck, but others declare they have hiked miles and seen nary an antler. One of the first parties to return from the back country, which included Bill Bechdolt, Carl Bechdolt Jr., Matt Connors, Fred Ichelson and Al Brune of Tahoe,

Tommy O'Laughlin of Pasadena, and Glen Slocum of San Francisco, told of seeing 25 deer in the vicinity of Shank's Cove from Thursday until Monday with only one buck among them. O'Laughlin brought the 150 pound forked horn in but the others came back empty handed.

At Tahoe Park campgrounds, Clarence Beavers terms the beginning of the season "not very good" compared to other years. First man in on opening day, Saturday around 7 a.m., was Fred Baker of Kings Beach, who shot a 175 pound four-pointer at Stony Meadows. One of the funniest incidents occurring to date was the shooting of a forked horn Sunday in the backyard of Mrs. Hazel Hoxsie of Tahoe Tavern Heights. Mrs. Hoxsie had been waiting for weeks for opening date so she could end the career of the impudent buck which has taken delight all summer in eating her precious garden flowers. Night after night, the intruder had trampled her beds and dined on her choicest blooms. It was all she could do to wait for the legal date to roll around. The gun was oiled and ready and rest was comparatively easy. Mrs. Hoxsie's revenge was complete and there is now ample meat in the Hoxsie deep freeze.

Beavers again warns local residents to be certain they secure burning permits for brush and garbage burning. Recent rains did not eliminate the fire hazard in the Lake Tahoe area. In fact, the downpour did little more than settle the dust. The law applies to all. Beavers avers, and burning regulations affect everyone in the district. If a good heavy snow storm occurs before October 15, there is a possibility permits will not be required after that but otherwise they will be necessary until December 1.

For the benefit on strangers in our midst, deer may be validated at Tahoe Park campgrounds, with Justice of the Peace C. W. Ver-

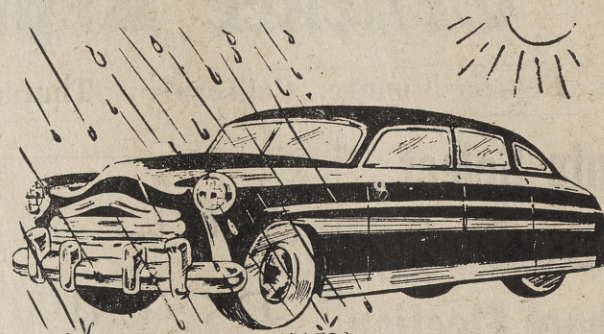

non, Postmaster Oliver Corona, Constable Harry Johanson, in Tahoe City, or by any peace officer in the district. Vernon and Johanson both validated deer tags for hunters during the opening days of the season. Vernon checked two, one shot in the vicinity of Truckee River and the other at Watson Lake. Johanson checked in deer for Sherwood Prusso of San Leandro, who shot a forked horn along the Truckee, and for James Worden, San Leandro, who got his four pointer at Twin Peaks.

The largest buck to date, a 200 pound six pointer, was shot in the

vicinity of Stanford Rock by Jim Baker, who was accompanied by James Morhain of Truckee. The boys saw three bucks at one spot but a terrific rain and hail storm was in progress and the second buck, a three pointer, which they are sure they hit, could not be tracked as the downpour washed away all traces, making it impossible to follow the trail of the

## Summit Scene

by FRAN COUILLARD

In the past we have spoken of the work of the Daughters of the Union Veterans of the Civil War. Two organizations in this area have benefited by the work done by this organization. The Donner Trail elementary school and the Girl Scouts of Truckee both have been presented with American Flags by the Mary Morse Husband Tent of North Sacramento. This year's national convention was held in Los Angeles a few weeks ago and Mrs. Lois Hack of Kingvale Park, a representative to the convention, brought back as her guests Past National President Nellie Goodman, National Guide Velma MacKay and Mrs. Mabelle Couillard, department president of Massachusetts; Py-

linsia Waugh, Leone Fields and Lucia Thomas, all California officers. We sincerely believe that this group, with their sincere love of American institutions and their reverence for the things for which they stand, should be better known for its grand patriotic work.

One name in the above corresponds with the by-line used by your correspondent. There hang a tale which proves the cliché that "it's a small world." Our mother was a delegate to the convention last year in Grand Rapids, Mich. In meeting other delegates, Mabelle Couillard's name (an odd one) came up. On inquiry it was found that the branch of the New England Couillards was a direct branch of our husband's. The western and eastern groups, having lost track of each other

for a decade, met again this year when Mabelle Couillard journeyed to California to meet her nieces and nephews in the Golden State.

The opening of deer season brought thousands into the area in spite of rain, thunder and lightning and a sharp drop in temperature. Lodges burst their beams as the red hatters took over, while pack horses were at a premium for the rugged souls who braved the cold wave to sleep 'neath the pines on the rocks in their sleeping bags. From our observation, the Dianas of the area competed successfully with the men folk. One pack train hied themselves toward the Buzzard Roost country, leaving a horse for one of their misses at a nearby lodge in case she wanted to join them. She did. When she arrived at the rendezvous, the camp was deserted and while she waited for the mighty hunters, seated in camp, she picked off the biggest buck you ever saw. Wanda Misener wandered in to buy a hunting license for she was off to camp to help Lonnie Goss bring back part of his horse string for use of another party of hunters and she casually picked off a buck on her way home. The pretty gal with Martin Johnson's party, "Liz", also bagged the biggest buck in that party.

Ernie Tschopp labors day and night to beat the oncoming snow storm and get his new garage set up at Kingvale Park ready for the winter months. Same with Harry Pratt who is installing a new service station on his property. Ralph Rowton's new set up at the Chevron gas works at Soda Springs is getting its final coat of paint. Elmo Moriano's swimming hole at Beacon Hill Lodge should be a-boiling shortly as he installs the heating system which looks big enough to heat the Pacific Ocean.

Lodge operators who might glance at our column, don't forget the State Chamber of Commerce meeting at Hotel Senator in Sacramento on Friday, October 6, for Jerry Carpenter, secretary of the recreational committee, has

## Floriston

by C. A. FELESINA

Mr. and Mrs. David Germaine and family have returned to their home in Floriston for the school term. Germaine, who is employed by the Isbell Construction Co., has been working out of town all summer and was accompanied by Mrs. Germaine. The boys have been visiting relatives.

Mr. and Mrs. H. C. Savage recently motored to Fallon where they were dinner guests at the A. N. Bartell home.

Mr. and Mrs. William Kent of Salt Lake City and Miss Jeanne Hirsh of Chicago have been visiting at the home of Mr. and Mrs. Alex Ayala. Mrs. Kent and Miss Hirsh are sisters of Mrs. Ayala. Mr. and Mrs. Ray Yurich of San Francisco are spending some time at their summer cottage here.

Mrs. Carlotta Ohl of Reno was a weekend visitor at the Lester Felesina home.

Mrs. George Ward is spending some time with her sister, Mrs. William Echols, at Hayward.

Mrs. Lester Felesina was happily surprised last week by a visit from Miss Margaret Miller of Seattle. The two women were together in basic training while serving with the Army Air Corps

a lot of promotional ideas for winter sports for the coming season.

And as we write this, we see Lonny Goss off with another string of pack horses and hunters—out into the wilds for four days—this group from Beacon Hill Lodge. We count eight horses. As we see this group off into the woods, we see a string of cars going down the hill with tired, bearded and disgruntled hunters. One bunch, who just entered our premises still shv a buck, will have bear steaks for dinner, they said, for they shot the bruin that invaded their camp. Second bear to get it this year, we hear, in this district—just for being plain nosy.

Barbara Zorich and Margaret Merrill gathered their forces and gave a barbecue on the Zorich's front porch a few nights ago. Margaret broiled the Portuguese meat course on swords over the flame and whatever its name is, we'll call it divine. Salads, hors d'oeuvres, and all the rest of the stuff that was served was simply out of this world. Hidden in the trees as the group of 20 participants were, we can say that there was some really letting down of hair. Fun!

We still have the annual closing party of the Ski Hi to look forward to on September 30. Be seeing you there and lay off Margot's pickled herring until we get there.

wounded deer. They said an inch of hail fell in 20 minutes and during the same storm, snow and hail fell on the surrounding hills. Johanson also validated tags

ed, lettered and fully equipped. The above bus shall meet all requirements of the State of California in every respect as set forth by the State Board of Education and the California Highway Patrol for 1950 State Regulations.

Each bidder must submit complete specifications for chassis and body with each bid.

The Governing Board of the School District reserves the right to reject any and all bids, to waive any irregularities, to be the sole judge of the suitability of the equipment offered, and to select any bus which in their estimation is most suitable for the job to be done in this School District.

By order of the Governing Board of the Tahoe-Truckee Unified School District.

for four out of town hunters on Saturday and four more Sunday. Still in the back country near Steamboat Springs are Carl Becholdt Sr. and party of eight men. This group sent out word that a big bear was shot just 50 yards from their camp a day or so ago by E. E. (Pike) Boehm, Truckee forest ranger, who visited them.

Al Henry Jr. of Tahoe City and David Donaldson of Oakland hunt in the Bear Trap district on Sunday, the latter bringing down a 130 pound four pointer. Hanging in the lockers at Village Store is the forked horn shot on Saturday near the Truckee River by Dick Carnell.

Am pleased to report that my good neighbor, Mrs. Charles Cross is again returned to the family home and that her health at long last definitely has taken a turn toward improvement. Also at the Cross home is the Chal Crosses' new baby who is being cared for here while the younger Mrs. Cross is receiving hospital care at Livermore.

Mr. and Mrs. C. W. Vernon of Tahoe City have returned from a trip to San Francisco by train. They left Friday and returned Sunday, enjoying a visit at the home of their son-in-law and daughter, Mr. and Mrs. Harold Farr of Oakland. The Vernon family have ordered a new Chevrolet club coupe which will be arriving within the next 30 days.

At a meeting of Tahoe City's American Legion Post 718, Al Randolph, commander for two terms, stepped down and Basil

# North Tahoe

by T. BURROUGHS

More and more business places are gaining the advantage of being hooked onto the sewage disposal system. The initial cost may seem high, but in the long run, it is the best thing that has happened to North Tahoe to date. Our only direction is forward. The urge for advancement will eliminate obstacles as the need arises.

North Tahoe Women's Club will hold its first fall meeting on September 28 after a free spaghetti dinner for all members, both old and new. Gals, this is something to look forward to. Bring your dues if aren't already paid up for the year. Also bring a friend who wishes to become a member. Come as you are—slacks or jeans, wear them if you are happy thus garbed. Meeting will be held at the Lake Tahoe Gun Club trap shoot grounds. There will be entertainment that will cause you to wonder what became of time. You'll declare the hour to have been only 30 minutes. With that five-star committee consisting of Theresa Sutton, Fritz Porath, Bertha Ballard, Unadell Crawford and Alice Sorensen looking after the eats, it's a good idea to come hungry. You will have a wonderful dinner and a joyous time. Be there at 7 p.m. September 28. Mrs. Winifred Rappier and Georgia McGill are the latest recruits for the Women's Club.

Ray Sorensen got his buck last Sunday, a good sized forked horn. Bob Graham of Berkeley, visiting Billy and Harvey Martin, got his buck over last weekend. Ralph

Kehoe was named acting head of the group pending nomination of new officers at the meeting scheduled for Monday night, September 25, and election at the meeting on October 2. Attendance has not been as good as it could be, and all members are urged to make a real effort to be present at future gatherings. New members are cordially invited to join. Refreshments will be served. By setting a good attendance record, there is a good likelihood that the Tahoe City Legion may be able to secure through the county a new veterans' hall on the commons here, permission having been granted for erection of the building. It is planned to add refreshments and entertainment to the programs in the future and wives and friends will be invited to attend.

Charles Henrikson is now in uniform with the Air Force, stationed at Hamilton Field, below San Francisco. His wife, Eunice, is visiting temporarily with Oakland friends but will make her home in Sacramento later with her parents, the Joseph Duffees. Leave you for another week. Good luck, good health and good cheer to all, as ever, Swanee.

Tucker of San Carlos, up for the hunt as well as to see sister Alice Sorensen, was fortunate enough to bag a nice buck too. Ralph said the traffic was terrific on the way up last Friday night; that Truckee was so jammed at three o'clock in the morning one could not even get a cup of coffee.

Mr. and Mrs. Chris Mikkelsen of Centerville and Mrs. Mikkelsen's sister, May, of Alameda, were guests of the Andy Sorensen family last weekend. Also, Mr. and Mrs. Marcel Rieusse of San Mateo joined the party. All had a very happy weekend.

A Red Cross first aid instructor Mrs. Evelyn Levitt will conduct classes for two weeks commencing September 19 in both standard and advanced courses at her home at Crystal Bay. Classes begin at 7:30 p.m. and end at 9:30 p.m. This appears after classes are started but those interested are asked to call Mrs. Levitt at Brockway 197 for further information. Arrangements can be made to pick up back instruction and continue on with the class. Everyone should know first aid. Take advantage of this opportunity; tell your friends about it and ask them to contact Mrs. Levitt.

Dr. E. C. Hageman was called back into Uncle Sam's service about a month ago and is stationed near Los Angeles. With North Tahoe's loss of Dr. John Keys and Dr. Hageman, we'd better hope for good health and no accidents.

The Richard Boyces entertained last Monday night with an outside barbecue at their cabin on the Rock Quarry with Mr. and Mrs. Charlie Brier of Sacramento and Mr. and Mrs. Clarence Schrader, new owners of the former Boyce home, as guests. Schrader got his two-point buck Wednesday morning; met him right in the middle of the road just about sun up.

Mr. and Mrs. Tom Thatcher entertained last Friday night with a little folk dancing party. Taking part were Bob and Mae Critchley, Dr. and Mrs. H. Holmes, Dick and Lou Boyce with Mary and Jimmy, Charlie and Ruth Brier and children.

Mr. and Mrs. Ralph J. McKinney of Whittier, Calif., are guests of The Burroughs.

Mike and Virginia Kornazewich are on a month's vacation visiting relatives back east. Virginia is our local "hello girl" with that

soft, soothing and courteous voice.

Carl Wheeler was host to the Reno Woman's Golf Club at Brockway last Thursday with honors and the revolving trophy going to True Bowen with a net gross of 88 to win a golf bag.

Glenn Mills, 28, Long Beach, is to be arraigned before Justice of the Peace Clarke Allen of Kings Beach on a charge of defrauding an innkeeper, filed by Edith Hare. He was arrested in his home city last June.

and held in the Placer County jail in lieu of \$500 bail.

The Brockway Land and Water Company was denied an injunction against the Placer County supervisors and road commission-ers by Superior Judge W. T. **Lake Tahoe Coast Guard Plans Weekend Tour**

TAHOE CITY—Members and friends of Coast Guard Flotilla 61, Lake Tahoe, are looking forward to the two-day funfest being planned for September 23 and 24 at the lake. Members and their guests will arrive by cars and boats for luncheon at 1 p.m. at Tahoe Inn, Tahoe City, on the 23rd and then will proceed at 5 p.m. to Anderson's Cottages on the south end to register. A deer barbecue, with entertainment will follow at the Wagon Wheel. The following day the Nevada police department is scheduled to escort the long line of cars over Carson Pass to Carson City, Virginia City and Reno, where a cocktail hour, dinner and entertainment will be furnished the 600 to 800 guests anticipated. Jack Lyon of Cave Rock is commander of the Lake Tahoe flotilla.

Mrs. Rosella Williams of Huntington Park has returned home following a visit at the Tahoe City home of her cousin, Mrs. Ethel Vernon.

**Student Paper Readied; Lessons in Safety**

TAHOE CITY—The first draft of the Tahoe Lake school paper, Tahoe Chatter, is being prepared for publication this week by Editor Lewis Fellows and his assistant, Jay Stuart. Shirley Hanson is credited with designing the cover, a view of the local terrain. Principal Robert Gilbert this week announced that pocket sized pamphlets giving rules for safe operation of bicycles on the highway were distributed through the local school, each class reading and discussing the contents. Gilbert also gave a talk on safety to the pupils.

Mrs. Wm. Reinhardt, a summer Brockway resident, left for her San Marino home Tuesday.

### TAHOE ITEMS

**TAHOE CITY**—The level of Lake Tahoe Monday morning was 6226 feet with 381 CSF of water leaving the gates of the dam in town. Coldest day of the past week was on the 15th with 33 degrees and warmest was on the 13th with 68. Precipitation Sunday night totaled .21 of an inch.

Bishop and Mrs. Noel Porter have closed their summer home on the lakeshore near Tahoe Tavern and returned to Sacramento for the winter.

Mr. and Mrs. F. B. McKeever have arrived from San Francisco to enjoy a three weeks vacation at their summer home in Tahoe Pines.

Rudolph Zimmerman wrote that they have left Tahoe City, returning to San Francisco until next year.

Mr. and Mrs. Lester Wilkinson, who spend part of each year at Homewood, are returning to Oakland this weekend.

Mr. and Mrs. Dave Chambers of Chambers' Lodge have made their annual address change to Hotel Samarkand, Santa Barbara.

### Building Permits For This District

Nevada County's assessor's office issued permits last week for \$27,700 worth of new construction, all but \$1,000 of it being for buildings in the eastern end of the county.

Rex E. Reid, Truckee, applied for four permits for construction in the Donner Pines and Donner Villa Tracts. They include a \$3,000 frame home for Jack Melugin, Truckee, and a \$7,500 three cottage rental unit for himself, a \$3,000 frame home for Walter J. Smith, Truckee, all in the Donner Pines development; a \$3,200 frame home for Robert L. Renton, Detroit, Mich., in Donner Villa tract.

Ernest Tschopp, Soda Springs, asked for a permit to build a \$10,000 garage and service station at Kingvale.

At Manteca—

Miss Marion Lothrop of Sacramento, formerly a high school teacher here, has returned to teach at Manteca.

### Civic Problems Are Theme of Address

It was Quincy night at the Truckee Rotary Club Monday. Four civic leaders of that city visited here. Among them was the guest speaker of the evening, Ray Smith, who spoke on "Community Service." The civic problems of Quincy being similar to those of Truckee, the speaker told how Quincy Rotarians were solving their problems.

As a result, two projects were born from this meeting. These will be announced later.

Tom Buell, program chairman, introduced the speaker. Other guests from the Plumas County city were Carlton Ferguson, Art Baty and Frank Jasper. The guest who won the prize for traveling the longest distance was W. B. Dealan of Susanville. Jack Wolert introduced his nephew, William Wolert, who recently arrived from Germany. J. D. Jamison of the state board of health in Sacramento was a guest.

The 20-30 Club will be honored by Rotary Monday night, the 25th, at a joint meeting. William Curran, program chairman, has secured Paul Claiborne of Auburn as speaker.

### Women Invited To Nevada City Show

Mrs. Rachel Lipman of the Nevada City Business and Professional Women's Club is cordially inviting all local women who are interested in taking part in or viewing the fall flower arrangement show and silver tea being sponsored by the group. The affair will be given in the garden of Mrs. R. J. Bennetts on Spring Street, Nevada City, on Saturday afternoon, September 23, between the hours of 2 and 4. Mrs. Manguerite Webb of Tahoe and Loomis, an authority on floral arrangements, will be the speaker on the occasion.

Garden clubs in the district planning to be present include Ridge Garden Club, Nevada City Garden Club, Blue Tent Garden Club, Colfax Garden Club.

### O'Rourke Consultant At Session on Youth

Everett V. O'Rourke, superintendent of the Tahoe-Truckee school district, was in Sacramento Monday and Tuesday, acting as a consultant at the California Midcentury Conference on Children and Youth. The conference was called by Governor Earl Warren as a preliminary to a national conference on youth, scheduled for Washington, D.C., in December.

O'Rourke acted as consultant in the section titled "Through Adolescence to Maturity," which dealt with the various problems of that group and set certain goals for the next decade to deal with these problems.

**Michigan Visitors**—Mr. and Mrs. P. H. Greenhouse left Monday night for Michigan where they expect to visit with friends.

Striped bass were introduced into the Delta and Lower Sacramento areas in 1879 and 1882.

Sugar beets grown in the interior valleys require about 20 gallons of water each to reach maturity.

### Parents Here—

Mr. and Mrs. F. A. Wilson of Nevada City were visitors Sunday at the home of their son and daughter in law, Mr. and Mrs. Fosten Wilson, and while here joined in the observance of the local man's birthday.

Federal military land in California comprise 1,266,000 acres.

### Birthdates this Week—

Richard Joseph, Vern Shattuck and Walter Barrett celebrated their birthdates on the 15th, 18th and 20th respectively.

It has been estimated that Californians who fish and hunt spend a total of about \$250,000,000 annually in pursuit of these sports.

### Enters School—

Miss Marjorie King of Seattle is a guest at the home of her cousin, Mrs. Fosten Wilson, and has entered the Truckee Elementary School for the fall semester.

Maximum elevations in Alpine County are Stanislaus Peak and White Mountain, which stand 11,000 feet above sea level.

### Homewood Dinner—

Don Huff, owner of Homewood Resort, gave a dinner party on Monday for the business people around the Homewood vicinity.

At Roberts Home—Mrs. Pat Casalegm and daughter Susan of Norwalk and Mrs. Lola Roberts of Rio Dell are visitors of Mr. and Mrs. Ray Roberts.

### RECIPE OF THE WEEK

By Mary Lee Taylor

**Tamale Corn Bake**

Broadcast: September 30, 1950  
2 tablespoons finely cut onion  
2 tablespoons hot shortening  
4 1/2 teaspoons flour  
1/2 teaspoon salt  
few grains pepper  
1 cup Sego Milk  
Turn on oven; set at slow (325°F.). Grease a quart baking dish. Cook onion slowly 5 min. in shortening. Blend in flour, salt and pepper. Stir in slowly mixture of milk and corn liquid. Cook and stir until thickened. Remove from heat. Stir into beaten egg. Add corn. Put into greased baking dish. Cut tamales in inch slices and arrange on top. Bake about 35 min., or until firm. Serve hot from baking dish. Makes 4 servings.

You Will Need:

Whole Kernel Corn, Tamales, Sego Milk and Shortening.

CAROL, FOR TH' LUVVA PETE, HOW CAN Y' CONCENTRATE ON YOUR STUDIES WITH TH' RADIO AN' TELEVISION BOTH GOIN'?

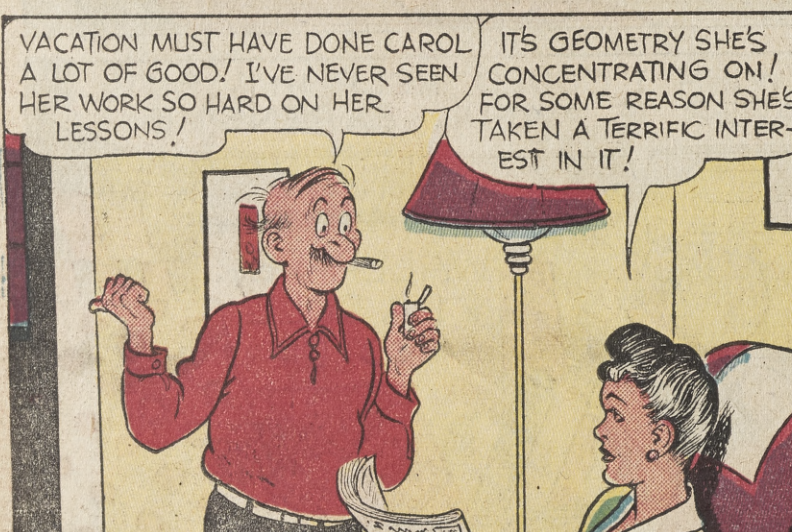

IT ISN'T AT ALL HARD WHEN ONE IS REALLY INTERESTED IN THE SUBJECT BEING STUDIED!

I LU-UFF YEE-OOZ

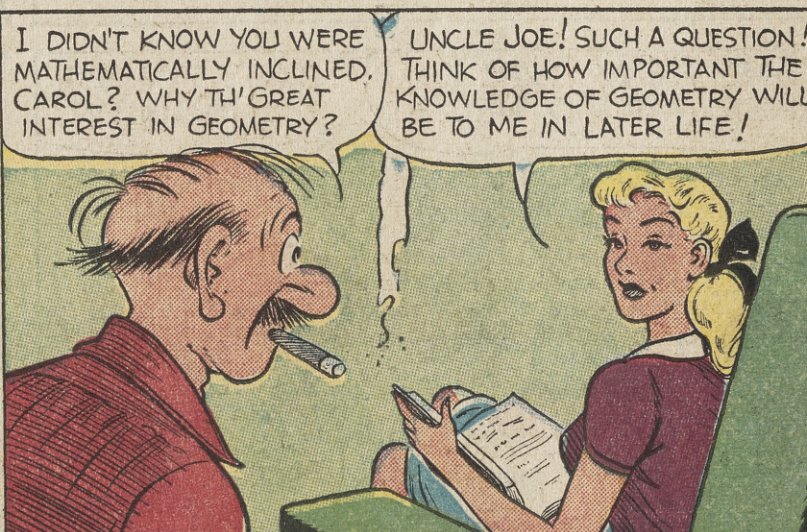

VACATION MUST HAVE DONE CAROL A LOT OF GOOD! I'VE NEVER SEEN HER WORK SO HARD ON HER LESSONS!

IT'S GEOMETRY SHE'S CONCENTRATING ON! FOR SOME REASON SHE'S TAKEN A TERRIFIC INTEREST IN IT!

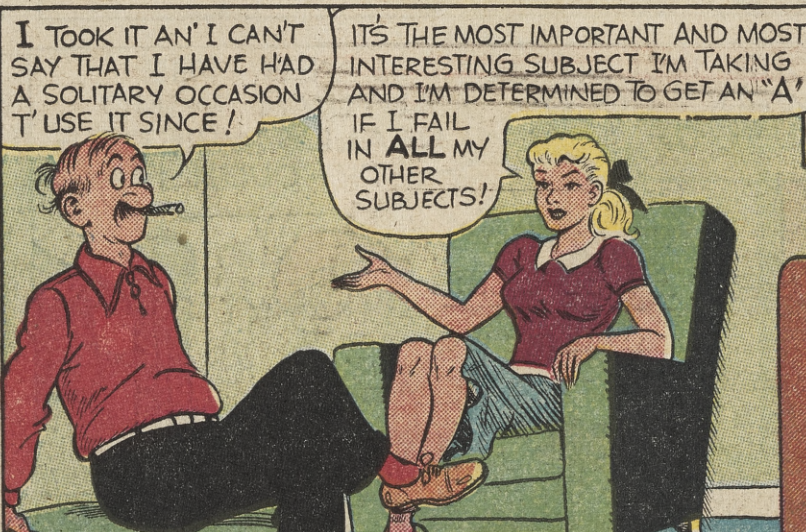

I DIDN'T KNOW YOU WERE MATHEMATICALLY INCLINED, CAROL? WHY TH' GREAT INTEREST IN GEOMETRY?

UNCLE JOE! SUCH A QUESTION! THINK OF HOW IMPORTANT THE KNOWLEDGE OF GEOMETRY WILL BE TO ME IN LATER LIFE!

I TOOK IT AN' I CAN'T SAY THAT I HAVE HAD A SOLITARY OCCASION T' USE IT SINCE!

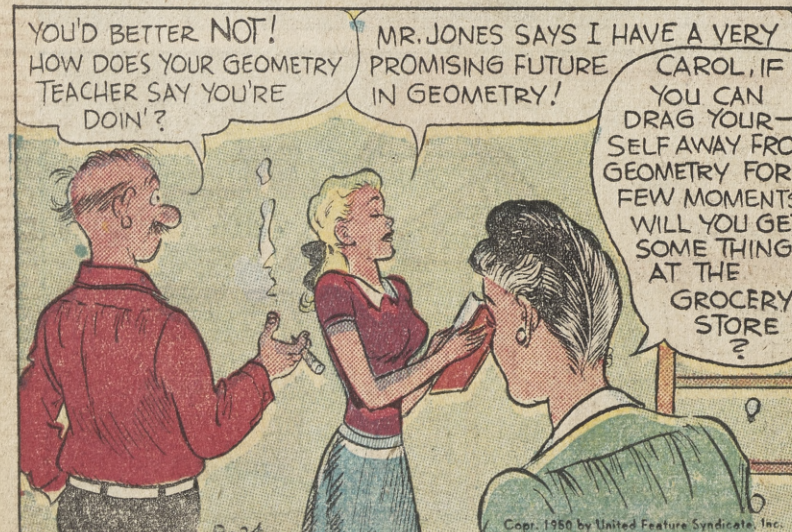

IT'S THE MOST IMPORTANT AND MOST INTERESTING SUBJECT I'M TAKING AND I'M DETERMINED TO GET AN "A" IF I FAIL IN ALL MY OTHER SUBJECTS!

YOU'D BETTER NOT! HOW DOES YOUR GEOMETRY TEACHER SAY YOU'RE DOIN'?

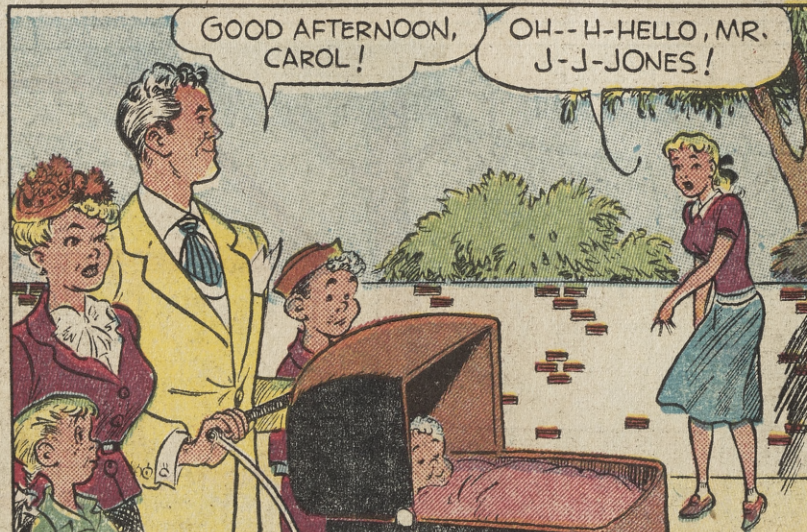

MR. JONES SAYS I HAVE A VERY PROMISING FUTURE IN GEOMETRY!

CAROL, IF YOU CAN DRAG YOURSELF AWAY FROM GEOMETRY FOR A FEW MOMENTS WILL YOU GET SOME THINGS AT THE GROCERY STORE?

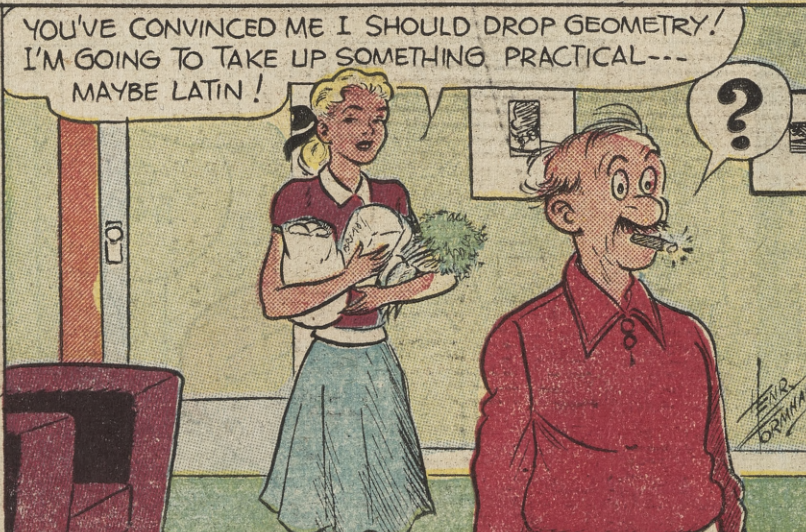

GOOD AFTERNOON, CAROL!

OH--H-HELLO, MR. J-J-JONES!

YOU'VE CONVINCED ME I SHOULD DROP GEOMETRY! I'M GOING TO TAKE UP SOMETHING PRACTICAL--- MAYBE LATIN!
